True or False: A 'Bubble Sort' algorithm will step through the data set one more time before stopping, after the data set had been ordered on the previous step-through.

Can you list all the binary multiples of data storage in order starting with the smallest (a bit…)

Hard Drives, Tapes and Floppy Disks all use which type of storage technology?

This device is not needed to form a local area network, but is needed to connect a LAN to the internet.

True or False: A 'Bubble Sort' algorithm will step through the data set one more time before stopping, after the data set had been ordered on the previous step-through.

True

Can you list all the binary multiples of data storage in order starting with the smallest (a bit…)

bit, nibble, byte, kibibyte, mebibyte, gibibyte, tebibyte

Hard Drives, Tapes and Floppy Disks all use which type of storage technology?

Magnetic

This device is not needed to form a local area network, but is needed to connect a LAN to the internet.

Router
